Dear Sir,

In accordance with section 46 of the Act respecting Access to documents held by public bodies and the Protection of personal information (CQLR, chapter A-2.1), hereinafter referred to as “the Act”, we acknowledge receipt at our offices, on February 18, 2019, of your request for access to documents.

Under section 47 of the Act, we must normally process a request within twenty days from the date it is received at our offices. However, given the very large number of requests we have been receiving lately, we wish to inform you that in accordance with the same provision, we are extending the time limit by ten days. We will therefore process your request within thirty days.

In accordance with section 51 of the Act respecting Access to documents held by public bodies and the Protection of personal information (CQLR, chapter A-2.1), you may submit an application for the review of this decision to the *Commission d'accès à l'information*. Please find enclosed an explanatory note to that effect.
